

Our Philosophy

To create a foundation of caring, trusting and connected relationships where tamariki, whānau and nga kaiako learn and grow together, in the home and the community.

Vision and Values

Vision

Making the early years count.

Being the best we can be

We aim to be the best we can be and encourage children whose lives we are privileged to be part of to do that too.

Welcoming

No matter who you are or where you are from, we strive to make everyone feel welcome and connected to our services.

For the good of the children

Everything we do puts tamariki first. As a not for profit organisation, we are concerned only with doing the right thing by the children, whanau and communities. Every decision we make, every hour we spend working with them, is for them.

Aroha

We work to be open-hearted, generous of spirit, kind and nurturing - and we encourage children to be these things too.

Mana

We respect and honour the founding treaty of our country; its commitment to bi-culturalism, the land and its people is also our commitment. We are blessed to work in beautiful environments and we honour our natural landscapes with respect and dignity for now and future generations.
