

Avenues Kindergarten

Making the early years count

About us

Avenues Kindergarten is a place of aloha / love, learning and enjoyment, a place where diversity is celebrated. Our kindergarten has an extra large, natural outdoor environment and is situated in a quiet central Tauranga location - ideal for children to play and learn in.

We are committed to providing high quality early childhood education placing a strong emphasis on the whanaungatanga / relationships we foster with children and families.

We support children to develop a sense of themselves as learners through having fun, building confidence and growing their self-esteem. Children's learning is nurtured through courage, curiosity, learner agency, resilience and auahatanga (creativity).

We believe children are creative thinkers and active learners who should be listened to and given opportunities to share their thoughts, knowledge and ideas.
