

# Welcome Bay Kindergarten

## Making the early years count

### About us

Our kindergarten has a large natural outdoor environment and is situated next door to Selwyn Ridge Primary school.

Our kindergarten is a place where together as a group we care, share, respect and learn. It is where children display and receive aroha, manaaki and awhina.

We believe in creating a place where children and their families/whānau feel that they are heard, comfortable, respected and where their culture is affirmed – a place where we create a community of learning for the benefit of the children.

Our teaching team are dedicated, qualified and enthusiastic educators who share a passion and commitment for high quality early education for all.

We aim to gift children with a sense of identity and confidence while having fun and building self-esteem.
